A preference will therefore be given to the productions of American industry; and all persons making proposals to supply any article will state whether the same is of the growth and manufacture of the United States.

The articles are to be delivered at the office of the clerk on or before the 15th day of October next, and to be paid for as soon as the Committee on Accounts shall audit the bill.

Each bidder, though he may desire to propose for the whole of the articles above enumerated, will be required to make *a separate and distinct proposal for each class*; and no proposal or paper embracing more than a single class will be considered. Each proposal to be endorsed, "Proposals for class No. [ ] of stationery for H. R. U. S.," and addressed to the undersigned. They will be free of postage.

Sufficient specimens of each class to accompany the proposal, marked with the name of the bidder and the number of the class, according to the above advertisement.

The whole of each article specified in the foregoing list will be deemed a class, and the person offering to furnish any class or description of articles at the lowest price, quality considered, shall receive a contract for the same, on executing a bond, with two or more sureties, satisfactory to the clerk, for the performance of the same, under a forfeiture of twice the contract price in case of failure; which bond must be filed in the office of said clerk within ten days after the proposals have been opened and the result declared.

The right is reserved, in case it should be necessary, to order a further supply of all or any of the articles contained in the above list.

B. B. FRENCH, *Clerk H. R. U. S.*

A number of sealed proposals were sent in before and on the appointed day, which I opened in the presence of A. J. Glossbrenner and Daniel Buck, Esqrs. The samples were compared, the prices noted, and the several lowest bids (taking quality and price into consideration) were accepted.

I have the honor to be, sir, very respectfully, your obedient servant,

B. B. FRENCH, .
